## CCTS Partner Network Opportunities for Collaboration: Rural Health

**Tuesday, September 16, 2025  
12 - 1pm (CT)**

**via Zoom**

Join us **via Zoom** on **Tuesday, September 16 from 12-1 PM (CT)** for an engaging discussion focusing on Dissemination and Implementation research. This session will spotlight collaborative efforts across the CCTS Partner Network to improve health outcomes in rural communities, highlighting key opportunities, challenges, and strategies for engagement.

Presentations include:

- *A type 2 hybrid effectiveness-implementation trial to evaluate a population health combination intervention to meet HIV testing, linkage, and viral suppression goals in coastal Alabama*, by **Dr. Lynn Matthews**
- *Implementing Community-Based Strategies to Address Mental Health and Substance Use Stigma*, by **Dr. Shameka L. Cody**
