TRENDING IN TRIALS

Essential Information for Principal Investigators at UAB

RCM Industry Rate Increasing November 1st | A reminder to research teams that the Research Charge Master (RCM) rate for industry-funded studies will increase to 200% of Medicare for all new OnCore calendar submissions on or after November 1, 2025. For questions or more information, please **contact Mark Marchant at mmarchant@uabmc.edu**.

Orchestrating Success: Lab Management and Team Dynamics | Join the O'Neal Quarterly Leadership Workshop for a panel discussion with Q&A focused on mentoring, recruiting, conflict resolution and lab management. Panelists include Susan Bellis, PhD; Carlos Estrada, MD; David Pollock, PhD; Adam Wende, PhD; and Karina Yoon, PhD. In-person event, **Oct. 15, 12-1 PM, WTI 101**. **[More info](#), [add to calendar](#)**.

Systematic Review Showcase | Join UAB Libraries on **Oct. 16, 2-3:30pm** for a showcase of three research teams presenting findings from systematic reviews on pancreatic cancer, pregnancy, and social cognition in people with HIV. Learn how librarian-led search strategies supported these studies and explore their scientific impact. **[More info](#), [register now](#)**.

Applications Closing Soon for the CCTS Clinical Investigator Training Program (CITP) | CITP is a five-week course on the roles and responsibilities of principal investigators in clinical research. Designed for **MDs, DOs, DMDs, and PhDs**, this program enhances investigator awareness of the administrative infrastructure supporting clinical research at UAB and promotes its effective utilization to enable efficient time-to-trial-activation. **Program begins Oct. 28. [Learn more](#), [apply by Oct. 24](#)**.
