

You Are Not Alone

AN INFERTILITY SUPPORT GROUP

Infertility affects one in six women in the U.S., and navigating the emotional, physical and mental challenges can often feel isolating. If you are struggling with infertility, don't go through it alone.

Join EACC Counselor Hallie Keel for a confidential, member-led virtual discussion. This is a safe space to share your experiences, explore your feelings, and connect with others who truly understand the journey. Together, we will discuss the ups and downs, the challenges, and the hope that exists in the process of building a family.
