

UAB MHP Advisory Board

Purpose

The basic purpose of the Board is to advise the MHP Program on strategic matters, to assist in the process of obtaining ABET accreditation, to be of assistance in ensuring UAB graduates have the skills necessary to succeed in the workforce, and to contribute to the overall development of a vibrant HP program.

Tangible objectives - 2022-2024

- Review MHP curriculum
- Assist in preparation for ABET accreditation (2025)

Big picture objectives

- To ensure the program stays in touch with the job market and current industry needs
- To serve as external reviewers for grants or other funding opportunities
- To serve as continuing curriculum reviewers per ABET requirements
